

# Checklist Uilenweekend 14-11-2025 t/m 16-11-2025

# BIRDING BREAKS

|     |   |                                                    | Dag 1 | Dag 2 | Dag 3 |
|-----|---|----------------------------------------------------|-------|-------|-------|
| 3   | 1 | Aalscholver - <i>Phalacrocorax carbo</i>           | X     |       | X     |
| 4   | 1 | Blauwe Reiger - <i>Ardea cinerea</i>               | X     | X     | X     |
| 5   | 1 | Grote Zilverreiger - <i>Casmerodius albus</i>      | X     | X     |       |
| 9   | 1 | Wilde Eend - <i>Anas platyrhynchos</i>             | X     |       | X     |
| 20  | 3 | Grauwe Gans - <i>Anser anser</i>                   |       |       | X     |
| 25  | 3 | Kolgans - <i>Anser albifrons</i>                   |       |       | X     |
| 28  | 3 | Knobbelzwaan - <i>Cygnus olor</i>                  |       |       | X     |
| 33  | 1 | Buizerd - <i>Buteo buteo</i>                       | X     | X     |       |
| 35  | 1 | Sperwer - <i>Accipiter nisus</i>                   | X     |       | X     |
| 37  | 1 | Torenvalk - <i>Falco tinnunculus</i>               | X     |       | X     |
| 42  | 1 | Waterhoen - <i>Gallinula chloropus</i>             | X     | X     | X     |
| 43  | 3 | Meerkoet - <i>Fulica atra</i>                      |       |       | X     |
| 54  | 1 | Kokmeeuw - <i>Larus ridibundus</i>                 | X     |       | X     |
| 59  | 3 | Kleine Mantelmeeuw - <i>Larus graellsii</i>        |       |       | X     |
| 62  | 1 | Houtduif - <i>Columba palumbus</i>                 | X     | X     | X     |
| 63  | 3 | Turkse Tortel - <i>Streptopelia decaocto</i>       |       |       | X     |
| 64  | 3 | Kerkuil - <i>Tyto alba</i>                         |       |       | 1     |
| 65  | 3 | Ransuil - <i>Asio otus</i>                         |       |       | 10    |
| 66  | 3 | Bosuil - <i>Strix aluco</i>                        |       |       | 1     |
| 67  | 1 | Steenuil - <i>Athena noctua</i>                    | H     |       | 1     |
| 70  | 1 | IJsvogel - <i>Alcedo atthis</i>                    | X     | X     |       |
| 71  | 1 | Groene Specht - <i>Picus viridis</i>               | X     |       |       |
| 74  | 2 | Middelste Bonte Specht - <i>Dendrocopos medius</i> |       | X     |       |
| 75  | 1 | Grote Bonte Specht - <i>Dendrocopos major</i>      | X     | X     | X     |
| 77  | 1 | Graspieper - <i>Anthus pratensis</i>               | X     |       |       |
| 78  | 3 | Waterpieper - <i>Anthus spinoletta</i>             |       |       | H     |
| 79  | 3 | Witte Kwikstaart - <i>Motacilla alba</i>           |       |       | X     |
| 80  | 1 | Grote Gele Kwikstaart - <i>Motacilla cinerea</i>   | X     |       |       |
| 82  | 1 | Winterkoning - <i>Troglodytes troglodytes</i>      | X     | X     | X     |
| 83  | 2 | Heggenmus - <i>Prunella modularis</i>              |       | X     | X     |
| 84  | 1 | Roodborst - <i>Erithacus rubecula</i>              | X     | X     | X     |
| 86  | 1 | Zanglijster - <i>Turdus philomelos</i>             | X     | X     | X     |
| 87  | 2 | Koperwiek - <i>Turdus iliacus</i>                  |       | X     |       |
| 88  | 1 | Grote Lijster - <i>Turdus viscivorus</i>           | X     | X     |       |
| 89  | 2 | Kramsvogel - <i>Turdus pilaris</i>                 |       | X     |       |
| 90  | 1 | Merel - <i>Turdus merula</i>                       | X     | X     | X     |
| 91  | 2 | Zwartkop - <i>Sylvia atricapilla</i>               |       | H     |       |
| 92  | 2 | Tijftjaf - <i>Phylloscopus collybita</i>           |       | H     |       |
| 93  | 2 | Goudhaan - <i>Regulus regulus</i>                  |       | X     | X     |
| 94  | 1 | Vuurgoudhaan - <i>Regulus ignicapillus</i>         | X     | X     | X     |
| 95  | 1 | Koolmees - <i>Parus major</i>                      | X     | X     | X     |
| 97  | 1 | Pimpelmees - <i>Parus caeruleus</i>                | X     | X     | X     |
| 98  | 2 | Kuifmees - <i>Parus cristatus</i>                  |       | H     |       |
| 99  | 2 | Glanskop - <i>Parus montanus</i>                   |       | X     |       |
| 101 | 1 | Staartmees - <i>Aegithalos caudatus</i>            | X     | X     | X     |
| 103 | 1 | Boomklever - <i>Sitta europaea</i>                 | X     | X     | X     |
| 104 | 2 | Kortsnavelboomkruiper - <i>Certhia familiaris</i>  |       | H     |       |
| 105 | 1 | Boomkruiper - <i>Certhia brachydactyla</i>         | X     | X     | X     |
| 107 | 1 | Ekster - <i>Pica pica</i>                          | X     | X     | X     |
| 108 | 1 | Gaai - <i>Garrulus glandarius</i>                  | X     | X     | X     |
| 109 | 1 | Kauw - <i>Corvus monedula</i>                      | X     | X     | X     |
| 110 | 1 | Zwarte Kraai - <i>Corvus corone</i>                | X     | X     | X     |
| 111 | 1 | Spreeuw - <i>Sturnus vulgaris</i>                  | X     | X     | X     |
| 112 | 2 | Huisemus - <i>Passer domesticus</i>                |       | X     | X     |
| 114 | 2 | Appelvink - <i>Coccothraustes coccothraustes</i>   |       | H     |       |
| 115 | 1 | Vink - <i>Fringilla coelebs</i>                    | X     | X     | X     |
| 116 | 2 | Keep - <i>Fringilla montifringilla</i>             |       | X     | X     |
| 117 | 1 | Kneu - <i>Carduelis cannabina</i>                  | X     |       |       |
